

Vendor Quote Pack - Combined Scan Recreation

This quote pack was recreated from mixed email snippets, copied tables, and handwritten notes. Values may not appear in a clean table.

Field	Value
Vendor	Polar Mechanical Services Ltd.
Quote Ref	Q-7741-R2
Delivery Window	First batch ships no later than 28 May 2026
Warranty	18 months from site acceptance
Project Contact	Elena Brooks elena.brooks@polar-ms.example

Commercial note: pricing is shown below in the same order as discussed on the call, not by package.

Package	Amount
Plate exchanger skid	\$42,800
Commissioning support	\$6,250
Freight and site handling	\$3,900
Optional overnight spares kit	\$1,450
Quoted total including options	\$54,400

Side note from the email thread: finance asked whether the optional spares kit can be removed after approval, but the current total above still includes it.
