

Modernization Proposal

Overview

Key Risk

The proposal content is intentionally simple; the visual accents are what drift between pages. Headings, divider bars, and callout boxes currently mix warm orange, green, and pink tones. The target operation is a coordinated theme change, not structural editing.

Modernization Proposal - Details

Overview

Key Risk

The proposal content is intentionally simple; the visual accents are what drift between pages. Headings, divider bars, and callout boxes currently mix warm orange, green, and pink tones. The target operation is a coordinated theme change, not structural editing.
