Disposable earnings are wages remaining after legally required deductions. Voluntary deductions are not subtracted for this calculation.

For ordinary consumer debt, withhold no more than the lesser of 25% of disposable earnings or the amount by which disposable earnings exceed 30 times the federal minimum wage for each workweek.

Child Support

Child support can reach 50% or 60% depending on whether the employee supports another spouse or child; add 5% if arrears are more than 12 weeks.

Job Protection

An employee may not be discharged because earnings have been garnished for any one indebtedness.
