

Field Safety Action Publication Rules

Rule	Requirement
Public notice	Publish only rows where Publish to Notice = Yes in the affected lot master.
Internal rows	Engineering pilot, legal hold, and attorney-review rows must stay out of the customer PDF.
Customer privacy	Do not put customer names, customer IDs, raw mailbox notes, or open-unit counts in the public PDF.
Workbook	Retain internal rows, customer response matrix, formulas, validation lists, hidden rules, print areas, and internal
Cover memo	Use a real TOC and reconcile PDF notice rows against the workbook.
