

Program Accreditation Standards Excerpt

Standard	Evidence requirement
STD-1 Curriculum Alignment	Map program outcomes to required courses and report aggregate achievement.
STD-2 Assessment Cycle	Show annual assessment, closing-the-loop actions, and follow-up dates when thresholds are not met.
STD-3 Faculty Qualifications	Show aggregate faculty coverage; individual CVs may be indexed but not reproduced.
STD-4 Student Support	Use aggregate advising and support metrics; exclude student names and raw grievance text.
Privacy rule	Do not include student names, raw artifacts, or direct student comments in the public self-study response.
