

Security Incident Notice Terms

Source	Notice requirement
Acme Retail MSA	Notify Acme Retail within 72 hours of confirmed discovery of a security incident affecting Acme customer data.
PayGrid DPA	Provide processor courtesy notice within 24 hours when payment-token processing may be questioned, even if the token is not used.
Incident Response Policy	Consult law enforcement before public notice when exploit artifacts remain under investigation.
Public communications rule	Do not publish exploit payloads, root-cause speculation, privileged legal advice, or credentials details.
